# The Washington Area's Favorite Corporate Playground

## ***The Company Picnic Place ...***

For over 60 years, Smokey Glen Farm has set the standard of excellence for corporate events in the Washington Area. We're proud to offer you the very best in service, facilities, food and fun for your group's special event. The Smokey Glen Farm experience lets you mix a little business (or none), a lot of play, refreshing country vistas, and our famous barbeque specialties, all in complete privacy for your group.

## ***...and More.***

We have built a solid reputation for being the place to go for company picnics. We also offer facilities and event packages for :

- Business Meetings / Seminars
- Corporate Team Building Events
- Evening Parties / Barn Dances
- Holiday Parties
- Awards Celebrations
- Reunions / Weddings / Bar Mitzvahs
- Full Service Off-site Event Catering
- Carry-out / Delivery Service

## ***Let Us Do the Work.***

Simply reserve the date, walk through a short planning session with one of our highly experienced event managers, and provide us with an accurate count. We'll take it from there. Your event manager and our staff of over 200 will do the rest - plan, order, cook and service your event. You'll deal with just one event manager and you'll get one bill.

With the exception of our many loyal clients, our greatest pride and asset is our staff. From the owners and managers to the young person serving cotton candy, you will find our staff to be genuinely friendly, attentive, courteous and responsive to your needs.

## ***Privacy - Even for Groups of 5000 or More***

Each of our five event sites are designed so that you won't share space with any other group. Your group will have a completely private area with it's own:

- Covered Pavilions (main Pavilion enclosed and heated in cooler months)
- Covered & Open Seating
- Meadows & Shade Trees

- Ample Space for Field Games
- Public Address System
- Softball Fields
- Volleyball Courts
- Mini Golf Course
- Playground
- Basketball Courts
- Horseshoe Pits

## ***Barbeque Heaven I***

Our unique and mouth watering barbeque specialties are absolutely second to none. Your menu is prepared at your individual site in full view just for your group. Just to whet your appetite, consider these examples:

- Our Famous Barbequed Chicken - slowly prepared over hickory charcoal from our original menu using our founder's authentic recipe.
- Savory Barbequed Spare Ribs - Our unconventional slow grilling process makes them tender, juicy and downright GOOD.
- Texas Beef Brisket - with a delicious spice rub and mop sauce that is slow cooked in our charcoal fired ovens.
- Whole Roast Pig - meticulously prepared and served in the Southern tradition with a unique sauce that will truly arouse your senses.
- Lobster Bake - steamed in traditional New England style ground pits using hot bricks & seaweed. This authentic method gives the lobster a delicate smokey flavor that cannot be duplicated.
- Charcoal Baked Breads & Fruit Pies - served warm and fresh from our own charcoal fired ovens.

## ***Spring, Summer or Fall... Make Smokey Glen Farm Your Corporate Tradition.***
