## **History**

Smokey Glen Farm was originally a small portion of an enormous tract of land called Mitchell's Range, patented in 1762. At that time, this was still Frederick County. Montgomery County was formed in 1776, several months after the Declaration of Independence. What is now Smokey Glen Farm was divided off from a part of the old tract in 1893, still bearing one of its original borders, the 74<sup>th</sup> line of Mitchell's Range.

Smokey Glen Farm Barbequers, Inc. (formerly called Collegiate Barbequers, Inc.) was founded in 1953 by Dr. George B. Sweet, then a graduate student in agriculture at the University of Maryland. The new company held barbeques at the University's Byrd Stadium football games during the middle 1950's.

In 1958, George & Betty Sweet purchased what is now known as Smokey Glen Farm. The farm is named for the haze that forms in the morning in the lower lying glens along the edge of the woods. The primary intention with the purchase of the property was to have a diverse farming operation including a state of the art poultry / egg business with 13,000 laying hens and secondarily, facilities for companies and groups to hold picnics & barbeques as well as numerous other smaller operations. What is now the Barn Area was our first event site back in the late 1950's. The events business really began to take off in the 1960's and the Grove area was developed in 1962. By the mid 1960's, the Sweets were faced with a dilemma in the poultry business developing from large agri-business investments on the Eastern Shore & Southern Virginia - invest big or get out altogether. The Sweets decided to go full-time in to the events business and closed down the poultry operation in 1965. They revamped the poultry houses in to what is now called the Pavilion Area – our largest event site as well as our kitchen & commissary facilities.

In addition to the events held at Smokey Glen Farm, we have catered our old-fashioned country barbeques at such locations as the White House for the President of the United States, at the Naval Observatory for the Vice President of the United States, at Wolf Trap, and many other prominent locations.

Corporate citizenship has been a core value of our family business since it was founded 60 years ago. Through service, philanthropy, proactive engagement in community & business organizations, by providing a positive & nurturing work experience for hundreds of area youth and by preserving the natural beauty and open space of our family farm for many future generations to enjoy, we strive to do our part to make our community an even better place to live and to grow our family business.

Our community outreach efforts are as diverse and far reaching as our resources will allow. Among the organizations we actively support; National Center for Children & Families, Darnestown Civic Association, Montgomery County Chamber of Commerce, Gaithersburg - Germantown Chamber of Commerce, Society for Human Resource Management (VA, MD & DC), Montgomery County Parks Foundation, Leadership Montgomery, all of the Montgomery County Public Safety Agencies, Montgomery County Public Schools, Montgomery County Corporate Volunteer Council, Friends of Seneca Creek State Park as well as Operation Second Chance which provides support for wounded soldiers at Walter Reed Army Medical Center and Bethesda Navy Medical Center.

The most significant ongoing partnership with an area non-profit is with D.C. Central Kitchen. Smokey Glen Farm provides logistics, support & refrigerated storage for our clients to donate their leftover picnic food to D.C. Central Kitchen, who in turn processes and redistributes the food to numerous shelters & help organizations throughout the Metro area. Through these brilliant efforts, they are able to provide extensive foodservice career training for underprivileged individuals. In 2015, our clients donated over 8,326 lbs. of food providing the basis for an estimated 19,557 meals.

The Greater Washington Area is such a thriving & diverse community. We can not imagine a better place to have grown our family business. We appreciate that this community has been so supportive of us over these many years. It is a privilege to serve & do our part.

Thank you to all of our wonderful, dedicated clients for your business & friendship over these many years. It is because of you that we are able to engage in the Greater Washington Community. Your business is deeply appreciated.

**\*\*Please Note: It is not uncommon for us to have a few un-booked weekend openings on our Event Calendar. If you have specific date requirements and your group does not meet the General Attendance & Event Site Guidelines listed above, please do not hesitate to ask.**

## **Cancellations**

Late cancellations are a significant hardship to our business. Every date and every event site is a commodity, especially on prime weekends. It is often impossible to replace a group if they should cancel less than 150 days prior to their event date. **If you cancel your event less than 150 days prior to your scheduled date, your deposit will be kept and you will be liable for a Late Cancellation Fee of \$25.00 per person for groups of 50-119 people, \$22.50 per person for groups of 120-249 people, \$20.00 per person for groups of 250-499 people and \$17.50 per person for groups of 500+ people. Late Cancellation Fees are based on the group size/site minimum guidelines listed above. If you cancel your event less than 14 days prior to your scheduled event date, you will be liable for the full cost of the event as it has been planned.**

## ***Planning Session***

If the planning of your event is not already well underway, your assigned Event Manager will contact you approximately 6 -8 weeks prior to your event to begin the initial planning process.

For first-time groups and for returning groups who have changed event sites, it can be very beneficial to establish an initial site & planning meeting here at Smokey Glen Farm several weeks (or months) prior to your scheduled event. If you and your committee would like to set up a meeting, please contact your Event Manager for an appointment.

If your event is being planned and implemented through a committee, we respectfully ask that you work with us through a single point of contact, particularly in the later stages of planning when the final details of your event are established.

## ***Time Schedule***

Since the area you have at Smokey Glen Farm will belong exclusively to your group for the entire day, you have the prerogative to set your own arrival, serving and closing times. Our one requirement, however, is that daytime picnics end early enough so that the area is cleared by dusk and for evening parties, the area must be cleared by 11:00 P.M. in the Pavilion area and 10:00 P.M. in the Grove, Knoll and Barn areas. **There will be an additional fee for events that continue past closing times.**

In the process of planning & scheduling the timeframe for your event, it's important to consider the timing and the overall time commitment you are asking of your guests and their families.

For weekend picnic groups, we find that 4 to 5 hours is optimal for most. Please keep in mind that if your overall timeframe is longer, you will have more guests showing up late or leaving early. A more compact timeframe will actually increase the time that all of your guests are together socializing and engaging in all of the activities.

Another factor to consider is your start time. With few exceptions, we find that weekend picnic guests do not arrive much before 1:00 P.M. regardless of the published start time.

We highly recommend that your time schedule, **including starting and ending times for the serving of the main buffet** be published to your group in advance.

## ***Restrictions***

We do have some restrictions at the farm. Chairpersons should take the following restrictions into consideration when they are planning their event:

- **Music & Amplified Entertainment** - Due to the proximity of residential areas to Smokey Glen Farm, all Bands, Disc Jockeys, Audio/Visual Equipment, Outrageous Games and other forms of amplified entertainment must be booked & contracted by Smokey Glen Farm in order to ensure that sound levels are not exceeded.

**Bands & Live Music** are generally not allowed in the Grove, Meadow & Barn Areas and are restricted as to their starting time (after 12:00 Noon), volume, placement & direction of sound in the Pavilion & Knoll Areas.

**Disc Jockeys** are allowed in all areas, however they are restricted as to their starting time (after 12:00 Noon), volume, placement & direction of sound.

- **Sales / Raffles / Fundraising** - In general, we do not allow any exchange of money at events held at Smokey Glen Farm. The majority of our events are company sponsored, and we feel that it is an imposition on our guests to be asked to buy something. With prior permission from our management, we do allow for non-profit fundraising through raffles, ticket sales, etc. Please speak with your event manager as soon as possible if you are planning to raise funds for non-profits at your event.
- **Gambling of any form is prohibited by law and violates our alcoholic beverage license.**

Continued on page 6

**In your advance publicity, please advise your group of the following restrictions.**

These are for everyone's benefit and we ask your help in passing this information on to your group.

***Absolutely No Pets Allowed***

- This is a Health Department, insurance and safety requirement. The only exception to this rule is service dogs. All pet owners will be asked to remove their pets from the property.

***Alcohol Restrictions  
We Promote Responsible Drinking***

- The Maryland State drinking age is 21 years of age. **A government-issued photo identification is required.** Montgomery County recommends we card people who appear to be 30 years of age or less.
- Smokey Glen Farm is a licensed liquor facility, therefore, **no alcoholic beverages may be brought onto or removed from the premises.** We reserve the right to check all coolers and containers brought onto the farm.
- Pitchers, glass, non-transparent cups and other containers are prohibited.
- One beverage served per person per bar visit.

***Traffic Management***

- All vehicular traffic is restricted to entrance roads and parking lots.

***Area Interplay***

- The event sites at Smokey Glen Farm are far enough apart that each group is ensured its own private place. The interplay that comes from members of one group visiting another event site is undesirable from your standpoint and ours.

***Serving***

The preparation and quality of your food is a prime concern. We will start serving at the time of your choice. **To ensure the quality of the food, serving is limited to a maximum of two (2) consecutive hours.** We recommend that you publicize in advance the starting and ending times of serving. If you use tickets, the serving times should be printed on them (see Tickets-page 7).

We must limit the serving of beer and wine for daytime picnics to a maximum of five hours. Beer and wine service may start as early as 12:00 noon and end no later than the times listed below, OR two hours after the end of a meal (whichever is earliest).

For evening parties, bar service may be available for five hours and must end by 11:00 P.M. in the Pavilion Area and 10:00 P.M. in the Grove, Knoll and Barn Areas.

In order to comply with the law, we reserve the right to suspend bar service at our discretion.

## ***Tickets***

We strongly recommend that groups use an advance ticket system to aid them in giving a more accurate count and to control food distribution the day of the picnic. In order to get a more accurate count, companies may charge all attendees a nominal fee even though the company pays the entire bill for the event. (NOTE: Please see State Taxes Admissions and Amusement Tax, page 8). Several groups use these ticket funds solely to buy door prizes.

It is recommended that the tickets be printed with picnic arrival and ending times **PLUS STARTING AND ENDING TIMES FOR THE SERVING OF THE MAIN BUFFET**. This will preclude people from arriving after the serving lines are closed and not being able to get a meal.

Those groups that utilize a ticket system provide their own people to collect tickets at the serving line - they know the people they work with and it provides a personal touch. Our policy is not to provide employees to take tickets. Our employees do not know your employees and could unknowingly give seconds increasing your chances of running out of food. Conversely, the president of your company could come through the line without a ticket and be refused a meal - a bad situation for both of us.

## ***Guarantee Count***

Your guarantee count is the **total number of adults, children, vegetarian meals (if any) and concessionaires/outside vendors** who will be attending your event. Children four years of age and under need not be counted; children five to eleven years of age should be counted under children's prices; and people twelve and over should be counted as adults. We provide meals for our own employees at our expense.

**It is your contractual obligation to provide us with an accurate, realistic guarantee count for your event.** This guarantee count is most important, both for you and us, in that we prepare the stated amount of entrée items for **exactly** the number of people you give us in your guarantee count. We do not add a "fudge factor". An underestimation of your headcount will result in an insufficient amount of food prepared and will cause unacceptable embarrassment to you, your organization and to us and will result in a breach of terms under this contract. **As well, you will be charged in full for each additional guest above & beyond your final guarantee count** (*physical headcounts are taken at all events – multiple physical headcounts are taken if we suspect there are more guests present than what is reflected in your guarantee count*).

**If you anticipate or suspect that there may be unexpected attendees or walk-ins, or you just want to provide for ample seconds, Extra Entrée Servings** (*please see "Extra Entrée Servings" - page 24*) **may be added on the day the guarantee count is given. In the past, some groups have found it helpful to add extra entrée servings – often representing as much as 10% of their guarantee count. Should these servings be required for full meals, we will be prepared to serve the complete menu at full meal prices. If they go as seconds, you will be billed according to the prices found on page 24. We will ascertain if the extra servings went as full meals or seconds and notify the chairperson accordingly.**

If your event occurs on a **Friday, Saturday, Sunday, or Monday**, your guarantee count is due on **Friday a week prior to your event**. If your event occurs on **Tuesday, Wednesday, or Thursday**, your guarantee count is due on **Tuesday a week prior to your event**. In order for us to schedule labor and order the food necessary for your event, **it is imperative to have this guarantee count by 2:00 P.M.**

**Please note that the guarantee count provided to us the week before will be the minimum number for which your group will be billed. Once you give your minimum count, you may not decrease your number, you may only increase.** Any increase in numbers after the guarantee count date will be billed at an additional \$1.00 per person. This charge compensates us for the additional preparation required. For weekday events, increases in your count can normally be accommodated as late as 12:00 Noon two days (36 hours) prior to your event. For weekend events, increases in your count can usually be accommodated as late as 12:00 Noon on Thursday.

## ***Maps / Road Signs***

Even though Smokey Glen Farm is easily accessible from the Metropolitan DC area, we strongly **recommend** that you furnish maps and/or directions to members of your group.

On the last pages of this booklet, we have printed a map and directions to Smokey Glen Farm or you may download a copy from our web site, **www.smokeyglenfarm.com**.

Signs are posted along Riffleford Road directing your group to their appropriate picnic area. Please be aware that there are **two event entrances** to Smokey Glen Farm. One of them is only for the Pavilion Area. The other entrance is for the Grove, Meadow, Knoll and Barn Areas. If you wish to provide your own signs the dimensions are 14" (tall) x 22" (wide) and only 1/16" thick. Keep in mind that large letters/words are easier to read from the road for your guests to find their area. Area site maps are available upon request.

No additional signs should be needed. Should you feel the need to post additional signs along the route, please use discretion as to your choice of location, and, in addition, designate someone at the end of the day to remove those signs.

## ***Parking***

Each area at Smokey Glen Farm has ample parking for your group (including handicapped parking). However, if your expected attendance as of your guarantee count date is over 1700 in the Pavilion Area, over 500 in the Grove, over 350 in the Meadow, or over 300 in the Knoll & Barn areas, we will provide parkers at no extra charge to ensure parking control. If you are under the above listed number for your area and still feel the need for parkers, they can be provided at charges listed in the Services Section (page 35).

## ***Athletic Equipment***

Smokey Glen Farm provides the use of all necessary athletic equipment for **softball** (except softball gloves), **basketball**, **horseshoes**, **miniature golf**, **tetherball** & **volleyball**. A **soccer ball**, a **kickball**, **4 cones**, **sacks for sack races** and a **tug-o-war rope** are also included.

On the day of your event you will be furnished with a list of athletic equipment and given a key to the equipment shed. The equipment will be inventoried at the end of the day and **any missing equipment will be billed to your group at its replacement cost**.

If you do not plan to be the first arrival or the last person to leave, please appoint a responsible person to take care of issuing and collecting the athletic equipment. Your cooperation in this matter will be greatly appreciated.

## ***The Day of Your Event***

When you arrive at Smokey Glen Farm the day of your event, you will find us already engaged in preparing your meal and setting up the facilities. You will be greeted by a supervisory employee who will review with you the food setup, services, serving times, your number of people, and the amount of food being prepared.

If you need to leave prior to the end of your event, we would appreciate being introduced to the person from your group who will be responsible for the remainder of the day.

## ***State Taxes***

**Maryland Retail Sales Tax** is currently 6% and will be collected unless your group has a current Maryland tax exempt certificate. Please furnish a copy of this certificate to us before your event.

**State of Maryland Alcoholic Beverage Sales Tax of 9%**. This will be applicable on all alcoholic beverage related charges. Alcoholic beverages will be broken out on your final invoice (even if included in your Menu Package) and the tax will be listed separately just below the MD State Sales Tax on your final invoice.

**Admissions and Amusement Tax** - The State of Maryland's Admissions and Amusement Tax Division requires us to provide them with the names of clients and the date of their event **if that client is collecting any money from their guests for the event**. If you are collecting any money from your guests for the event, you may be liable for Admissions Tax on your receipts to the State of Maryland. For more information or further clarification, please call the State of Maryland's Admissions and Amusement Tax Division at (800) 492-1751.

Services such as Moonbounces, Hayrides, Bingo, etc. are subject to up to 7% MD State Amusement Tax which will appear on your final invoice as a separate line item. The services that are subject to this tax will be noted with an asterisk on your final invoice. Please refer to the Services Section or speak with your event manager to reference the services subject to this tax.

## ***Billing***

We will contact you after your event to follow-up. Any feedback that you have is most welcome and greatly appreciated - regardless of how insignificant it might seem. We set very high standards for our facilities, food, services & staff - your feedback is essential to maintaining these high standards.

An itemized invoice will be e-mailed to you within a few days after your event. If you have any questions or issues with your invoice, please call us right away. **Payment is due upon receipt of the bill** and no later than three weeks after the date of your event. Please note that 1½% interest per month (18% annually) will be charged on all past due accounts. In addition, overdue accounts will be assessed a late charge of 5% (minimum \$50.00). We accept Visa, Mastercard, Discover and American Express primarily for deposits. Although we prefer payments by check, final payments of less than \$5000.00 may also be made by credit card. **If Smokey Glen Farm Barbequers, Inc. is required to retain an attorney to collect these charges, the customer is responsible for all costs of collection.**

## ***Insurance***

## ***Promotional Items / Giveaways***

Many of our clients provide promotional items as giveaways for their guests. Many of those giveaways are drop-shipped directly to Smokey Glen Farm. In most circumstances, we are able to take delivery of, temporarily store and deliver to your event site up to 10 boxes as long as we know well ahead of time that they are being delivered and the timeframe for the delivery. Additional charges may apply for larger deliveries. If you plan to have promotional giveaways delivered directly to Smokey Glen Farm, please consult with your Event Manager as soon as possible.

## ***Lost and Found***

Smokey Glen Farm Barbequers, Inc. is not responsible for any lost or stolen articles. However, we have a "Lost and Found" closet and will keep items turned in to us for a period of 30 days, during which time these items may be picked up. After that, they will be donated to charity.

## ***Helpful Tips for Promoting Your Event***

To ensure that your event is well attended, it is important that the chairperson and the committee make every effort to promote the event as soon as it is booked.

As soon as you know the date of your picnic, send a “save the date” e-mail or card to all of your prospective guests.

Send progressively frequent e-mail reminders.

Publicize your event on the employee area of your company website.

Place posters and announcements in common staff locations such as dining areas and staff lounge areas.

Place notices & reminders in payroll envelopes, staff newsletters & otherwise unrelated e-mails.

Many of our groups create & promote a different theme for their event each year and tailor their activities, food choices and decorating around that theme.

A great way to get people excited about the picnic is to create & promote inter-departmental competitions on the day of the event – softball, volleyball, field games, scavenger hunts, etc.

Incorporate awards and other recognitions in to the picnic.

Make the RSVP process as easy & simple as possible. An e-mail based RSVP system such as evite.com may be the easiest & most effective method.

## ***Types of Events and Menus***

For over 65 years, Smokey Glen Farm has been synonymous with outdoor cooking. Regardless of your choice of menu, you may be certain that the preparation of your food is our prime concern. The atmosphere presented by open barbequing in view of your group is a highlight of the day.

This section contains the types of events handled and menu packages offered by Smokey Glen Farm. Child pricing is based on ages 5 – 11 years old. In all cases, billing is for the entire group on a per person basis.

Prices quoted include food, softdrinks, staffing & event management, use of the facilities, and clean up of the grounds. All prices are subject to the Maryland State Sales Tax. If your group is tax exempt from Maryland State Sales Tax, a copy of the tax-exempt certificate showing the Maryland tax-exempt number must be furnished before your event.

## **Daytime Lobster Bake**

(See page 4 or 11 for site and group size guidelines)

(2 hour serving of the main meal may begin anytime between 11:30 AM - 4:30 PM)

*Our Lobster Bake Package is available in the Pavilion & Barn Areas. The lobsters, corn, sausage, eggs, potatoes & onions are steamed in a traditional New England style pit utilizing a huge bonfire built over a pile of hot bricks. When the bricks reach the proper temperature, the cinders are pulled off of the bonfire and seaweed is placed on the hot bricks thus creating steam. The lobsters and other items are placed on the steaming seaweed and covered with a cloth tarp. 20-30 minutes later, we pull off the tarp and the lobsters and their traditional side items are done. This cooking process provides a wonderful, exciting show for all of your guests and it gives the lobsters and accompanying sides a subtle and delicious smokey flavor that cannot be topped or duplicated by any other means.*

## **Evening Lobster Bake**

(See page 4 or 11 for site and group size guidelines)

*Our Lobster Bake Package is available in the Pavilion & Barn Areas. The lobsters, corn, sausage, eggs, potatoes & onions are steamed in a traditional New England style pit utilizing a huge bonfire built over a pile of hot bricks. When the bricks reach the proper temperature, the cinders are pulled off of the bonfire and seaweed is placed on the hot bricks thus creating steam. The lobsters and other items are placed on the steaming seaweed and covered with a cloth tarp. 20-30 minutes later, we pull off the tarp and the lobsters and their traditional side items are done. This cooking process provides a wonderful, exciting show for all of your guests and it gives the lobsters and accompanying sides a subtle and delicious smokey flavor that cannot be topped or duplicated by any other means.*

## ***Additional Food Items***

This section lists many items that may be added to the basic menu packages listed in the previous section. Many of these items are Smokey Glen Farm's own specialties and are prepared in full view of your group. These specialties include our famous charcoal-baked breads and fruit pies, slow roasted corn on the cob, our incredible beef barbeque (cooked in an iron cauldron over an open fire), charcoal-grilled hot dogs, as well as spiced shrimp - just to name a few. As you will see in the following pages, the choices are abundant.

By popular demand, we have also included some vegetarian options. **Please note:** Some vegetarian items may be chosen as entrees for your vegetarian guests. Those vegetarian guests must be included in your guarantee count.

**Please note:** In most cases we recommend that you order additional food items in increments that reflect 100% of the number of people in your group's count. We reserve the right to require a minimum order of an additional food item to reflect at least 75% of your group's count in order to avoid the embarrassment of running out of a particular item.
